PART II.

Rules under the Mysore Legislative Council Regulation.

A. Rules for the conduct of business under Section 11 of the Regulation.

I. Definition.

1. In these rules—

"Bill" means a proposed enactment in any stage before it has received the assent of His Highness the Maharaja.

In the computation of "clear days," Sundays and holidays are not included.

II. Summoning and Adjournment of Council.

2. The times and places of meeting shall be fixed by the Dewan, and the Secretary shall notify the same in the official Gazette and to each Member by letter.

3. When the business before a meeting is concluded, the President shall declare the meeting dissolved. The President may adjourn, without any discussion or vote, any meeting or business, to any future day or to any part of the same day. The Council also may, upon motion made and carried, adjourn any meeting or business

4. A motion that any meeting or business be adjourned or that the Council pass to the business next in order in the statement of business may be moved at any time and without previous notice as a distinct question, but not so as to interrupt a speech. If the motion is carried, the Council shall adjourn the meeting or business, or the further consideration of the business then under discussion shall be dropped, as the case may be.

5. A motion of the kind referred to in the last preceding rule shall take precedence of any other motion then before the Council, and, if such motion is rejected, no similar motion shall be made until after the lapse of what the President shall deem to be a reasonable time nor by the Member by whom the previous motion was made.

17 2/27

6. If, at the time appointed for holding a meeting or adjourned meeting as aforesaid, or if at any time after the commencement of business at such meeting, the quorum required by section 9 of the Regulation (that is to say, the Dewan or some one of the [a] Members of His Highness the Maharaja's Council [a] and one-half of the whole number of Members of Council), is not present, the Members present shall, without proceeding to business of any kind, adjourn until again summoned by the Dewan, and the fact shall be noted by the Secretary in the journal of the Council.

III. Course of Business.

7. The Secretary shall send to every Member a statement of the business to be transacted at each meeting so as to reach him at least three clear days before the date fixed for such meeting.

8. No business which is not entered in the statement of business prepared under Rule 7 shall be transacted at any meeting, unless the permission of the Dewan has been obtained previously to the meeting.

9. The President shall have power to regulate the order in which business is transacted, but, ordinarily, the succession of business shall be as described in Rule 10.

10. After the President has taken the chair—

(1) the Secretary shall report to the Council the Regulations which have received the assent of His Highness the Maharaja, under section 13 of the Regulation, and the Bills which have been disallowed since the last meeting;

(2) the Secretary shall report to the Council the petitions and other communications relating to the business of the Council which have been received by him since the last meeting, and shall, if required, read such petitions and communications to the Council;

(3) Members desirous of obtaining leave to introduce Bills, and having obtained the written sanction of the Dewan therefor, shall move that such leave be granted;

[a a] These words were substituted for the word "Councillors" by Notification No. 294—L. C., dated 30th March 1914.

(4) the Council shall then proceed to dispose of the business left unfinished at the last meeting, if any; and this being done,

(5) the Council shall proceed to deal with the remaining business of the day.

IV. Regulation of Discussions.

11. The President shall preserve order and shall decide all points of order submitted for his decision by the members and all questions connected with the interpretation of these rules. There shall be no discussion on any point of order and the President's decision shall be final.

12. Any Member may draw the attention of the President to a violation of order and, while he is doing so, all other Members shall remain silent.

13. In discussing questions coming before the Council for consideration, a Member shall speak from his place and shall address the President.

14. Members may read their speeches and may also read, as part thereof, passages from books or papers bearing upon the question under discussion.

15. No Member shall speak except upon business which is at the time regularly before the Council or, by special permission of the President, in explanation of what he said in a previous debate.

16. Except in discussing amendments when the Council is settling the several clauses of a Bill, no Member other than the mover shall speak more than once upon a question; but the mover shall, if he has spoken to the question when making his motion, be allowed a reply

Provided that, if the matter before the Council be an amendment of a Bill, the Member in charge of the Bill shall be entitled to speak next after the mover and seconder of the amendment.

17 A Member who has spoken upon a motion may speak again upon any amendment of that motion. A Member may also speak again in order to explain what he has previously said if it has been misunderstood.

18 When for the purpose of explanation or for any other reason, a Member has any occasion to ask of another Member a question relative to the business before the Council, he shall ask the question through the President.

19. Every matter which comes before the Council for decision shall be decided in accordance with the majority of votes after (1) motion has been made and seconded and (2) the question has been put by the President.

20. No discussion whatever shall take place after the question has been put by the President.

21. Any Member may ask for any papers or information connected with the business before the Council, and the President shall determine whether such papers or information can be furnished.

If the President be not the Dewan, and the papers or information called for belong to any Department of the State other than the Legislative Department, the Dewan may veto the decision of the President.

V. Motions Generally.

22. Members who wish to make any motion at any meeting must give notice of their intention at the next preceding meeting or must send such notice in writing to the Secretary so as to reach him at least six clear days before the day fixed for the meeting, at which they intend to make the motion. Provided that the President may, at his discretion, permit a motion to be made of which such notice has not been given.

23. All motions of which notice is given under the preceding rule shall be entered in the statement of business prepared by the Secretary under Rule 7.

24. No motion shall be taken into consideration by the Council unless it is seconded.

25. A motion of which due notice has been given may, in the absence and at the request of the Member by whom notice was given, be made by any other Member; but, if not so made, or if a Member announces his intention of withdrawing a motion standing in his name, the motion may be made by any other Member, and, if not so made, shall not be put unless the Council otherwise orders.

26. If amendments of any motion are moved, the President, when taking the sense of the Council thereon, shall in his discretion put first to the vote either the original motion or any of the proposed amendments thereof.

27. A purely verbal amendment of a motion may be moved at any time during the discussion upon the motion and without previous notice, but no amendment which is substantially the negative of a motion shall be taken into consideration by the Council.

28. A motion shall not be taken into consideration by the Council if it substantially raises a question already disposed of at the meeting or is inconsistent with any resolution already passed thereat.

29. If any motion, as made, involves several points, the President may, at his discretion, divide it, so that each point may be determined separately.

VI. Introduction of Bills.

30. Any Member who may have obtained the previous sanction of the Dewan in writing to introduce a Bill into the Council may move at a meeting of the Council for leave to introduce the same in accordance with section 12 of the Regulation; provided that at least six clear days previous notice of the title and subject of the Bill has been given to the Secretary.

31. If the motion for leave to introduce a Bill be carried, the mover shall send the Bill, together with a full statement of the objects of and reasons for the proposed measure and any connected papers, to the Secretary, who will forthwith cause the Bill, the statement of objects and reasons and the connected papers to be printed and communicated to each of the Members, and will also cause the Bill and the statement of objects and reasons to be published in the official Gazette in English and in Kanarese.

Provided that the publication may be deferred under the orders of the Dewan until the next meeting of the Council when the publication of such Bill shall be considered.

32. The Dewan may, at his discretion, direct the Secretary to publish any Bill together with a statement of the objects of and reasons for it, in the official Gazette in English and in Kanarese, although leave to introduce the Bill has not been applied for under Rule 30; and the Secretary shall publish it accordingly and shall send a copy of the Bill and of the statement of the objects and reasons to each of the Members. When a Bill has been

published under this rule, it shall not be necessary to move under Rule 30 for leave to introduce it.

33. At any time after leave to introduce a Bill has been granted under Rule 31 or after publication has been ordered under Rule 32, the Member in charge of the Bill may introduce it after giving six clear days' notice to the Secretary: provided that no Bill shall be introduced until fifteen clear days from the date of its publication.

When introducing a Bill, the Member in charge of it shall move that the Bill be read in Council. The principle of the Bill and its general provisions may then be discussed, and, if the motion be carried, the Council shall then consider the question of referring the Bill to a Select Committee, and, if the question be decided in the affirmative, the Council shall appoint the Committee and may further direct that its report shall be submitted within a special period.

34. At any time during the progress of a Bill the Member in charge of it may move for permission to withdraw it, and, if such permission is granted, the Bill shall be withdrawn accordingly. The Member in charge of a Bill which has been published under Rule 32, but which has not been introduced and read in Council, may withdraw the same without further formality than a mere announcement of the withdrawal to the Council.

VII. Select Committee.

35. Select Committees may be appointed by the Council for any purpose connected with the business of the Council and may sit and submit their reports although the Council is adjourned. The Member in charge of a Bill shall always be Member of the Select Committee appointed to consider the Bill.

36 When a Bill has been referred to a Select Committee for consideration, it shall be the duty of the Committee to discuss each clause of the Bill and to recommend to the Council such amendments as seem to it to be advisable.

37. If the Council has fixed a period within which the Select Committee shall submit its report upon a Bill and the Committee is unable for any reason to submit its report within that period, the Dewan may, from time to

time, extend the period on the application of the Member in charge of the Bill.

38. The report of the Select Committee shall be signed by all the Members of the Committee or a majority of them; but any Member of a Select Committee may record his views in a separate minute.

39. The report of the Select Committee appointed to consider a Bill shall contain particulars of the principal amendments proposed and of the reasons for such amendments, or it may contain a recommendation that the Bill under consideration be abandoned.

40. The report of the Select Committee, any minutes that may have been recorded by individual Members of the Committee, and (if the Bill has been amended) the Bill as amended by the Committee, shall be printed and copies furnished to each Member of the Council. The report and minutes (if any) and (if the Bill has been amended) the Bill as amended, or such portion thereof as may have been amended, shall also, unless otherwise directed by the Select Committee, be published in the official Gazette in English and Kanarese.

41. No business shall be transacted at any sitting of the Select Committee unless a majority of the Members of the Committee including the Member in charge of the Bill is present.

42. The Committee may elect their own Chairman, who shall have power to report to the Dewan the name of any Member of the Select Committee who neglects or is unable to attend its sittings, and the Dewan may thereupon appoint, out of the Members of the Council, an additional Member to the Select Committee.

43. A Select Committee may, for the purpose of obtaining information, invite any person to be present at its sittings.

44. While a Select Committee is sitting to consider a Bill, all communications relating to the Bill which are received by the Secretary shall be referred to it.

VIII PASSING OF BILLS.

45. When a Bill has been introduced and read in Council under Rule 33 and the Council has decided that it is not necessary to refer it for consideration to a Select

Committee, the Council shall not proceed to take the Bill into consideration until the expiration of fifteen clear days from the date on which the Bill was read under Rule 33.

In this case it shall not be necessary to make, on the day on which the Bill comes on for consideration, a formal motion that the Bill be taken into consideration.

46. When a Bill has been referred to a Select Committee under Rule 33, it shall not be taken into consideration by the Council unless copies of the report of the Select Committee and (if the Bill has been amended) of the Bill as amended shall have been sent to each of the Members of the Council, at least fifteen clear days beforehand, and, in cases in which the Select Committee has not dispensed with the publication referred to in Rule 40, until the expiration of twenty-one clear days from the date of such publication. Subject to these conditions, the Member in charge of a Bill, when presenting the report of the Select Committee to the Council, may move either that the Bill and Report be taken into consideration at once or that the consideration of them be postponed to a subsequent meeting.

The discussion upon a motion under this Rule that a Bill be taken into consideration shall not extend to the principle of the Bill.

47. Any member wishing to propose an amendment affecting the substance of a Bill shall send a copy of the proposed amendment to the Secretary in accordance with Rule 22, and the Secretary shall enter the same in the statement of business prepared under Rule 7; but it shall not be necessary to give previous notice of amendments of a purely verbal character or of amendments consequential upon, or moved in respect of, amendments which have been carried.

48. Proposed amendments of Bills shall not be moved until the Bill is actually taken into consideration and, when moved, they shall be considered in the order of the sections to which they relate.

Proposed amendments of Bills shall be governed by Rules 24, 25, 26, 28 and 29 relating to motions.

49. The President may declare that a proposed amendment of a Bill shall not be discussed or put to the vote on the ground that it is irrelevant or incomplete or that an amendment identical in substance with it has

been previously disposed of by the Council in considering the same Bill.

50. When the amendments proposed by the Select Committee (if the Bill has been referred to a Select Committee), and such other amendments as may be proposed by any of the Members before the Council, have been considered by the Council, the Member in charge of the Bill, or in his absence any other Member, may move that the Bill as amended be taken up and passed at a subsequent meeting.

At such meeting the Council shall consider the amendments, if any, moved on behalf of Government, and pass the Bill. No amendments other than those connected with the amendments moved on behalf of Government shall, without the special permission of the Dewan, be brought up for consideration at this stage.

IX. Final Stages of Bills.

51. When a Bill has been passed by the Council, the Secretary shall revise and complete the marginal abstracts and the numbering of the sections thereof and shall forward it to the Dewan for submission to His Highness the Maharaja.

52. The Dewan shall communicate His Highness' assent or dissent to the Council by certificate in writing at the foot of the Bill, and the Bill with such certificate shall be lodged in the records of the Council.

53. No Member shall make any motion upon, or otherwise bring under the consideration of the Council, the exercise by His Highness of the prerogative of withholding assent to a Bill, or of according sanction to it with any alteration which His Highness may consider necessary.

54. When a Bill has received the assent of His Highness the Maharaja under section 13 of the Regulation, it shall be published in the official Gazette in English and in Kanarese.

X. Rules Relating to Petitions

55. Petitions to the Council must—

1. relate to some matter actually under the consideration of the Council;

2. be superscribed 'to the Legislative Council;'
3. be dated and signed by the Petitioner or Petitioners;
